RENEWED PETITION UNDER 37 CFR § 1.181

This paper is in response to a Decision on Petition (“Decision”) mailed June 21, 2007.

In this renewed petition, the undersigned, as attorney for the Assignee, represents that the Assignee did not receive the non-final Office Action in the above application mailed July 24, 2006.

The undersigned attorney attests to the fact that a search of the file jacket and the docket record where the non-received Office Action would have been entered indicates that the Office Action was not received. A copy of the docket record for October 24, 2006, the date three months from the mailing date of the non-received Office Action, is attached as documentary proof of non-receipt of the Office Action. This docket record is where the non-received Office Action would have been entered had it been received and docketed.

The undersigned petitions for withdrawal of the holding of abandonment and re-issuance of the non-final Office Action.

Respectfully submitted,

/Ian Hardcastle/
